## Welcome to AccessLPF

A Transactional Site for Members,  
Employers and Local Unions

Once you've logged in, AccessLPF lets you perform a number of pension-related inquiries. You can:

- Check your pension contributions, obtain a member history report and view your annual benefit statement
- Use the Pension Estimator to estimate your pension at various ages
- Apply for your retirement or disability pension
- Update your address and other personal information
- Check your inbox and view your LPF correspondence
- Review your beneficiary information and download a form to change or add a new beneficiary
- Make a self-pay contribution or report workers' compensation claims
- View LPF Publications

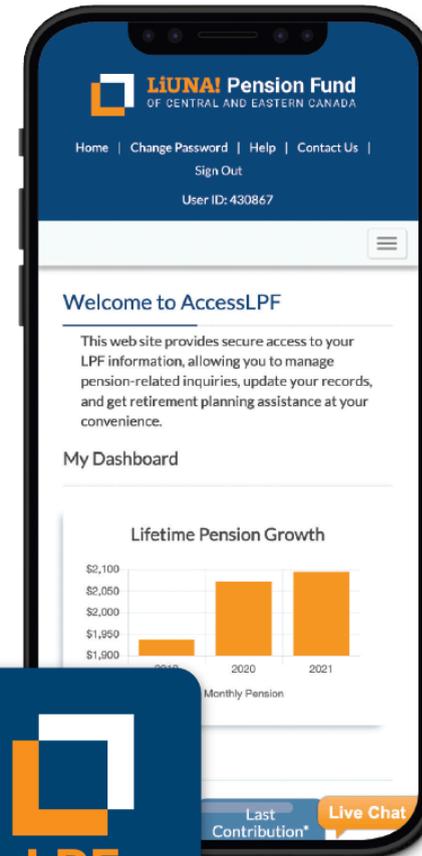

## LPF Mobile App for Apple and Android Devices

### On the go?

You have instant mobile access to your LPF info through our mobile app.

With the exception of pension applications, our mobile app offers all the same features as our online platform, letting you track your pension, view benefit statements, manage your account, and more—right from your smartphone or tablet

**Tip:** For optimal performance, you should be using the latest version of your device's operating system.

## Want to get started? Here's everything you will need

- You will need your Six Digit LPF Member ID Number to get online. LPF will mail a Welcome Package to you once you become vested (earn a minimum of 1200 hours).
- Your LPF Member ID Number will be your user ID and your password is your social insurance number when you log in for the first time.
- Note - your LPF ID Number is different from your Local Union ID.

### Online Services - Help us, help you!

Use our online services through our website and/or mobile app to check your plan information. Through **AccessLPF** you have so much information at your fingertips.

**Make sure the Fund has your address!**
